

CONGRATULATIONS!
ERASMUS SCHOLARSHIP FOR POSTGRADUATE STUDIES

The PGIS wishes the following students who won competitive ERASMUS scholarship under Smartlink, Leader and Impakt projects to pursue with their academic work in well known European universities. It is a pleasure to announce that most of the scholarships for postgraduate category for Smartlink project were won by PGIS students. The Deputy Registrar, PGIS has taken initiative in helping to facilitate the application process of these scholarship programmes with the approval of Director/PGIS and coordination of Prof. A.S.P. Abhayaratne. The support from relevant Chairpersons of the Boards of Study is appreciated.
