Calling Applications for the intake 2026/2027

Masters / MSc in Industrial Mathematics

Postgraduate Institute of Science (PGIS)
University of Peradeniya

Degree Programme

Programme Details

Programme	SLQF Level	Duration	Course Fee
Master of Industrial Mathematics	9	1 Year	LKR 245,000
Master of Science in Industrial Mathematics	10	2 Years	LKR 295,000

About the Programme

📌Develop mathematical models, find solutions, and interpret results for real-world industrial problems.
📌Gain cutting-edge knowledge in mathematics with a focus on statistics, operations research, and scientific computing.
📌Prepare for impactful careers in both private and public sectors, and advance into academic research

Eligibility

📌A Bachelor's Degree in Science, Engineering, or any other equivalent qualification from a recognized university, acceptable to the PGIS and the Board of Study in Mathematics at the PGIS.

📌Those awaiting final results of their Bachelor's Degree Examinations may also apply.

10% Discount

For local students in Sri Lanka enrolling in SLQF Level 9 and Level 10 degree programmes, a concession is offered when the full course fee is paid upfront at the time of registration.

Application Deadline

31st August 2026

APPLY NOW!
