

POSTGRADUATE INSTITUTE OF SCIENCE (PGIS) University of Peradeniya

Master's / M.Sc. MOLECULAR BIOLOGY & BIOTECHNOLOGY

Explore. Discover. Innovate.

*Advance your career in modern
molecular biology and biotechnology*

RESEARCH-DRIVEN
LEARNING

MODERN
LABORATORIES

EXPERT ACADEMIC
SUPERVISION

GLOBAL IMPACT,
LOCAL RELEVANCE

WHY CHOOSE OUR PROGRAMME?

Research-driven curriculum
with hands-on training

Exposure to modern molecular
techniques and technologies

Industry-relevant biotechnology
and research skills

Pathway to MPhil and
PhD studies

Strengthen your career in research,
industry, academia and healthcare

WHAT YOU WILL LEARN

Genomics

Cell biology

Transcriptomics

Biotechnology

Proteomics

Bioinformatics &
computational
biology

Biochemistry &
Molecular Biology

Tissue culture

Programme fees:

	Master's (SLQF 9)	M.Sc. (SLQF 10)
Local candidates	Rs. 500,000.00	Rs. 800,000.00
International candidates	USD 3,500.00	USD 5,500.00
