

## **Notice on MPhil / PhD Degree Programmes** **(Full-Time and Part-Time Registration)**

### **Status of Registration**

#### **a). Full-Time Student**

A full-time research student is a person duly registered for an MPhil or PhD degree programme and engaged in research and related academic activities during normal working hours.

In accordance with **SLQF guidelines**, a full-time research student is required to complete **3,000 notional hours per year**.

Applicants who are employed must obtain **leave of absence** from their workplace to qualify for full-time registration. Those unable to meet this requirement are advised to apply under **part-time registration**.

#### **b). Part-Time Student**

A part-time research student is required to complete **at least 1,500 notional hours per year** on research and related academic activities.
